

Wilbur and Myrt Walter Endowment Fund

Wilbur and Myrt moved to Fall Creek in 1948. While enjoying the people and work ethics of the area, they raised a family and became small business entrepreneurs. Their first endeavor was a local car dealership -Walter Motors. Later they prospered in the drive-in restaurant business - Pronto Drive-In.

Through the years they were active members of many local organizations including the Fall Creek Lions Club, American Legion and Auxiliary, and St Paul's Lutheran Church.

Wilbur passed in 1996. At 91, Myrt is active and enjoys friends and family. The Walters have been blessed and are grateful to be able to give back to the Fall Creek Community.
