

Allen Peuse Endowment Fund

Allen Peuse was born and raised in the Fall Creek Area. He attended UWEC and pursued a successful career in Chemistry/Quality Control in the midwest. In 1989, he decided to return home, to the Fall Creek Area.

Al was a quiet and thoughtful man. Throughout his life, he was involved with volunteerism and charitable giving. He especially enjoyed projects that gave “solid improvement to life in the Fall Creek Area”. Al wanted to do things that “benefit the typical Fall Creek resident” and that gave “value to the community”.

In caring for his hometown community, Al’s gift becomes the first Fall Creek “community-based” Endowment Fund.
